Each of those angles will give you a new appreciation of what Shabbos is. Easy to read. If the right wing would get out of the way and stop using 19th century economic ideas as their guide, we'd have double the job growth and double the GDP by now under Obama. He was known as the French Fenimore Cooper; certainly he deserves a high place among the imitators of Cooper. Session two builds on those positive changes, locks them in, and also searches deeply to make sure that there are no little, unresolved things still in there if there are, no problem.
