McMorals: A Case of Corporate (Krock)

Imagine playing a game, such as Jeopardy, and being able to slap these buzzer buttons as you play. Nikolajeva tells us that the second part is arranged in such a way that "each chapter [is] dedicated to a particular type of characterization, moving from direct or authorial to indirect or figural representation" and ending with "implicit characterization" The second part examines how characters come to be known through plot, description, narration, actions and events, speech acts, internal representation, and implicit

characterization.
