Whilst Hank takes an interest in the environmental factors, others take an interest in the genetics, and I think the genetics her have been a little underplayed: there must have been Darwinian forces that have led to this tendency to higher intelligence, and these must have been active where Ashkenazim lived rather than Sephardics. Glamorous and refreshing, she has appeared on countless TV shows including Oprah, Good Morning America and the Ellen DeGeneres Show and has graced the covers and pages of People magazine and many others publications.
