My Lifes Journey with Bipolar Disorder

As I stood in the parking lot with the other man we watched as his friend nearly jumped the railing when he finally came face to face with the spider, then tried to beat it to death with the broom and unloaded the whole entire can of bugspray on it before it still got away. The cause of death-a sudden and horrible disease-is not mentioned in any other source, but it raises the possibility that the true provenance of Ivar's Old Norse sobriquet lay in the crippling effects of an unidentified disease that struck him down at the end of his life.

Tell Me You Want Me

Travel down a new road with Gaia, a member-supported conscious media company. But the breadth of my definition is justified by the fact that ultimately the authors under consideration are less concerned with children than with what it means to have a childlike perspective.
