The Voyage of Lucy P. Simmons

Williams offers explanations and examples of topics such as timing and spacing, soft and hard accents, the ways to turn a head from a side to a front view, or change a smile to a frown. This item doesn't belong on this page.

Shoulder the Sky

The reasons for this ambivalence as well as the question wether the norms and values were at least in part enforced and live on in society to the present day are reviewed via the theories of Pierre Bourdieu. National Center for PTSD recommends moderate exercise as a way to distract from disturbing emotions, build self-esteem and increase feelings of being in control .
